

EDWIN MWANGI

STUDENT (BSc Economics and Statistics)

+254729717024 • edwinmwangi059@gmail.com • KIAMBU, JUJA

ABOUT ME

I am an enthusiastic and motivated young man with a strong foundation in economics and web development. While I have no formal work experience, I am eager to learn and grow in my fields of interest. Passionate about creating responsive and visually appealing websites, I am committed to expanding my skills in frontend and backend technologies. I am a quick learner, adaptable, and always open to new challenges that will help me become a proficient developer.
